

We are currently recruiting for an Ortho Foot/Ankle Surgeon who would perform the entire spectrum of foot/ankle surgery

You would be working for Tri-State Specialists, a private multi-disciplinary practice which cares for patients with orthopedic, general surgery, dermatology, neurology, plastic surgery, hand surgery, spine surgery, and pain management problems. In addition, there is physical therapy, MRI, and digital imaging on site.

Sioux City is a dynamic community of 85,000 residents drawing from a three state area of Iowa, Nebraska, and South Dakota. Our current service area is around 300,000 people. Tri-State has a strong referral base and all specialties are extremely busy. Currently 90% of surgeries are done in the Pierce Street Ambulatory Surgical Center which is located on the first floor of the building Tri-State is located in. There are 5 ORs and 6 recovery rooms. The clinic itself has 40 exam rooms with 3 physicians in each pod. There are also 2 physical therapists on staff. Nextech is the EMR being utilized and X-ray equipment is Samsung.
